Recommended* Parental Control Apps/Software

Screen Time

Android, iOS, Amazon

Set time limits for your children's devices from your phone or any browser. Set bedtime and school time restrictions for specific apps. Use your phone or tablet to pause your child's device or give Bonus time. Create fun check lists of things you would like children to do or learn and motivate them with rewards. Plus more.

Basic Version free

Premium subscription £2.99 per month

https://screentimelabs.com/

Kidslox

Android, iOS, Amazon

Block inappropriate apps from the device when your child is using it. Set regular device schedules to automatically block or unblock your child's device at the required time. Lock your child's device remotely with the flick of a switch. See how your child is using their device with Kidslox session statistics. Set up custom restriction profiles so that allow your child to access only the apps and phone functions you want.

Amazon, iOS £4.99 Android free
