

NORTH BADDESLEY JUNIOR SCHOOL

CONTACT – The School Newsletter Spring Term (8) 2024

Dear Parents/carers,

It was lovely seeing everybody at parents evening this week. We have an exciting week planned next week for world book week. Dress up day is on Thursday; we cannot wait to see the children in their costumes. We also look forward to 3W's assembly.

Celebrations

Evie Harding has achieved her introductory stage award in keyboard – well done Evie. During half term, Bella participated in her dance competitions and received a trophy in ballet for achieving the highest score in the under 10's category. Grace also received an award in her ballet and Poppy successfully completed her Level 2 in horse riding – superb effort girls. I would also like to acknowledge the achievements of Jennifer in year 5. Outside of school she plays Badminton and in the Berkshire singles (under 15), she came 1st place which led her to the Nationals. She played at national level in the under 11's girls singles category and came an impressive 3rd. This is a massive achievement – we are so proud of you.

Eco News

Despite the drizzle, Year 4 enjoyed a busy afternoon of outdoor activities this week to support our next RSPB School Wild Award. We looked at different birds and investigated what food they prefer by watching quietly. Robins and blackbirds definitely preferred mealworms whereas the magpies loved pecking at the suet pellets!

Did you know that mealworms are not really worms? They are in fact, dried beetle larvae and they are fantastic to feed to birds as they are a great source of protein.

We looked at information on seed packets, to discover what seeds can be planted at this time of year. This week, we sowed two varieties of sweet peas, a dwarf and a tall variety and a few broad beans - seeds collected from last season. We used cardboard roll tubes instead of plastic plant pots. These are really eco, they can be planted directly into the soil once the seeds have germinated and produced a shoot as the cardboard will break down in the earth. Growing flowers in our veggie patch is a good way to encourage insects as they will help to pollinate our bean plants plus other vegetable and fruit plants.

Mrs Murphy.

We wish you a lovely weekend.

Best wishes,

Miss L. Wootten,
Head Teacher

Upcoming dates and events

MARCH 2024					
Monday 4 th March			✓		5B only- Parent communication: spring attainment and progress reports sent home.
Monday 4 th - Friday 8 th March	✓	✓	✓	✓	World Book Week
