### Spring Term (2)

Dear Parents and Carers,

We have had an exciting and busy week this week. Year 3 have enjoyed being able to use the big gym equipment - listening to their excitement as they opened the doors into the school hall was so lovely; year 5 had an amazing space experience – I thought we had lost them at one point when I walked into the school hall and just saw their shoes. It has been a great start to the new term. Our lower school football teams represented us beautifully at the first league night and we are really proud of their efforts.

#### Upper school Football training.

Upper school lunchtime training for anyone that wishes to play will start up again on Tuesdays. The only condition is that they have a separate change of clothes and shoes that are suitable for the muddy field. This cannot be their school uniform or PE kit.

#### Baby News.

Mr Balcombe and his wife have welcomed a healthy baby girl into the world. Both baby, mum, dad and sister are doing well and we all look forward to meeting her. This week we say welcome back to Mrs Hunter who is returning from her maternity leave. She will be working alongside all of the teachers and covering classes across the school.

#### School Parent View.

It has been nearly two years since our last Ofsted inspection. We would welcome any feedback both positive and developmental to help us to continually improve. We ask that parents fill in the survey and give us as much written feedback to support the grading that you give. We kindly ask that feedback be given by the 31<sup>st</sup> January 2025. We thank you for your support.

Best wishes,  
Miss L. Wootten  
Head Teacher
