CONTACT - The School Newsletter Spring Term (7)

Dear Parents and Carers,

We have had a great start to the term with a successful residential taking place. The children in year 4 have immersed themselves in a range of activities that have helped develop their independence and confidence. The children, as ever, were amazing company and a pleasure to take away. Our [blog](#) gives you an insight into their few days away.

I would like to take the time to thank my entire team who work endlessly to ensure that the children are able to go on a trip like Avon Tyrell. The hours of preparation and planning before the trip takes place is immense, and when there, the staff ensure that the children have the best possible time. The memories that the children make will last a lifetime, and this is part of our curriculum that we are proud to be able to offer. I would like to thank the endless support from parents, offering their thanks and gratitude and who acknowledge that the team are going beyond their day job; the children and I are very lucky to have them. Your kind words and messages of support have been much appreciated.

Student Spotlight

Romsey Young Carers (RYC) made headlines earlier this month after board members and staff warned it was facing potential closure. Romsey Young Carers is a charity close to our hearts and one that supports many children in our school. If you wish to help raise funds for this wonderful charity, you can do so through a go fund me page which has been set up by one our families that works closely with the charity. Toby in year 5 has also been raising funds and raised an amazing amount of money - well done Toby.
