

Respect. Aspire. Resilient

Dear Parents and Carers,

A big thank you to all the parents who joined us for our showcase afternoon. It was wonderful to celebrate and share the incredible hard work our children have put in throughout the year-we're so proud of them all!

In other news, our Year 5 pupils had a fantastic time celebrating Astronaut Day as part of their Space topic. The children thoroughly enjoyed a range of activities, including dancing and cooking, and their costumes were truly impressive. It was wonderful to see such enthusiasm and creativity throughout the day!

Hot Lunch Requests for Late Arrivals

If your child will be arriving late to school and requires a hot lunch, please inform the school office as soon as possible. The kitchen needs final numbers by 9:30 AM to ensure enough meals are prepared for everyone.

Thank you for your cooperation and support.

Student Spotlight.

Freya completed a mud run with Cubs last weekend and did amazingly well. She had so much fun, worked incredibly hard, and successfully finished the course. Well done Freya!

Alfie and other members of the 15th Romsey Scout Group recently took part in the annual Mud Run at Ferny Croft Scout Activity Centre in the New Forest. Alfie enjoyed the muddy obstacle course so much that after finishing once, he decided to go around again just for fun! Well done Alfie.

Last chance for the School Disco

We have our Spring Disco arranged for Tuesday 24th March, 4.30pm to 5.15pm for Years 3 and 4 and 6pm-7.15pm for Years 5 and 6. Tickets are available via PTA Events - www.pta-events.co.uk/nbjs-ptfa/

Best wishes,

Miss Wootten
Head Teacher

Reminders

Last chance to get school disco tickets.
School led clubs have now finished until the summer term.

Mrs Wildey's Magic Words

Happy Friday - and, 'the sun has got his hat on, hip hip hoooooray'

Sunshine doesn't just brighten the sky—it brightens the way we think and feel. Actual science.

Psychologists have found that bright light can make us more optimistic, open, and even creative. It's not just about seeing more clearly; it's about thinking more expansively. In darker settings, the brain becomes more cautious and inward-looking, but sunlight gently nudges us outward—toward curiosity and connection.

There's also a subtle shift in perception. Problems can feel more manageable in the light, as if sunshine softens their edges. The situation hasn't changed—but our mindset has.

That's the quiet power of sunshine: it doesn't force happiness, but it gently tilts the mind in the direction of light. It reminds us that our emotions are not fixed, but fluid—shaped by something as simple, and as extraordinary, as light.

Mrs. Wildey

...who is pretty sure there must be some research out there about the positive effects of cheese?

Attendance figures this week

Please work in [partnership](#) with us to ensure that your child attends school regularly.

Year 3	94.25 %
Year 4	94.7%
Year 5	95.23%
Year 6	92.09%

School Values Assembly

We are incredibly proud of their maturity, kindness, and enthusiasm in demonstrating what our school stands for.
