- 🍊 Orange

🥤 Milkshakes also available

Price to be confirmed

🍷 Ice Pops – 50p

Available every Friday and sold by Year 6!

💰 Cash only please

Dear Parents and carers,

As we come to the end of a wonderful term, we were delighted to celebrate with our Inclusion Day. The children took part in a wide range of exciting activities throughout the day, including the air track, volleyball, archery, axe throwing, golf and parachute games.

It has been fantastic to see everyone joining in, encouraging one another and trying new experiences with such enthusiasm and confidence. The day was filled with teamwork, laughter and smiles, making it a memorable way to finish the term together.

We also completed our Dance for Diabetes challenge. The children fully engaged with all of the dances, and we finished the day with a fantastic dance celebration at lunchtime. If you chose to take part in the sponsorship, please could all monies now be collected and sent into school or via online so that we can celebrate and share the total amount raised for this amazing charity.

Our next big event is sports day (raffle tickets went home yesterday - please bring them back to the school office and we look forward to seeing as many of parents as possible on Friday 5th June at 9:00.

This week, Year 3 enjoyed a fantastic visit from the Egyptian Treehouse Theatre. Dressed in costume, they took part in interactive drama, role-play and storytelling, bringing their history learning to life in a fun and memorable way.

Village Day

Thank you for supporting us last Saturday at the North Baddesley Village Day. A huge thank you also to all the children, PTA members, and staff who helped throughout the day - setting up, running the stall, and packing everything away afterwards.

We had a successful and enjoyable day, selling lots of plants, books, and uniform items, as well as running plenty of fun games, which together helped raise an amazing £500 for the school.

Congratulations to two lucky children, Ollie and Grace in year 4, who won the giant dinosaurs by correctly guessing where the dinosaur eggs were buried. Let's hope the dinosaurs behave themselves in their new homes!

Student Spotlight

Well done to Eddie, who took part in the Rods and Ribbons Species Hunt Sea fishing competition and achieved an excellent second place in the junior category.

His impressive catches included a conger eel and a dogfish, helping him secure his place among the top young anglers in the event.

The competition was not only a great day of fishing but also raised more than £1,000 for cancer research – a fantastic achievement for everyone involved.

Also, a huge well done to Elijah and his siblings, who took part in a 1.2-mile race. Elijah especially enjoyed running off ahead and leading the way all by himself!

Over the weekend, the U8s from Romsey Pumas were crowned champions of the EDMSL Respect Cup for the second year running. The team showed fantastic determination, teamwork and sportsmanship throughout the tournament, working incredibly hard to retain the trophy. Their dedication and effort paid off with another well-deserved victory. Congratulations to all the players on an outstanding achievement!

Reminders

Can we please remind our school community to be mindful and considerate of our local residents when parking around the school site. We have received reports of inconsiderate parking, including vehicles blocking pavements and causing wheelchair users and pedestrians to step into the road to pass safely. One member of the public also shared a photo of the surrounding area, which was extremely concerning. Cars were parked on the pavement, and one vehicle had even been driven onto a grassed area, requiring access across the pavement.

We kindly ask everyone to park responsibly and respectfully to help keep our community safe and accessible for all.

Best wishes,

Miss Woolten

Head Teacher

Reminders:

25th May-29th May- Half Term Week

Tuesday 6th June- Avon Tyrrell meeting at 5PM for current Year 3 children.

Thursday - wear PE kit to school sports day 1 (no parents)

Friday - sports day 2 with parents and picnic. Wear PE kit to school.

Mrs Wildey's Magic words

Happy Friday everyone!

And, half term already!? Is it just me, or did that one pass in the blink of an eye?

Time has a way of speeding up when we are busy (actual science) but, 'busy' can become a little self-perpetuating - the more we do, the more we find do, right? We also live in a society that still tends to celebrate "busy", like it's a badge of honour, so rest can sometimes feel unsettling, even something we should feel guilty about.

Psychologists remind us however that rest is not "doing nothing." Rest is necessary - it helps our brains build new connections (even us grown-ups), process emotions, organise memories, and recharge attention. Oh, and the predicted sunshine next week will help too!

So, this half term, enjoy the sunshine and find some pockets of pause (without the guilt - science says so).

Mrs. Wildey

Do you know what else becomes more delicious with a rest? Cheese.
