

## North Baddesley Junior School Mobile Phone Agreement

### NBJS Pupil Mobile Phone Agreement

North Baddesley Junior School recognises that on some occasions it may be helpful for a pupil to bring a mobile phone into school, for instance, if they walk to school unaccompanied or they are being collected by a different carer. We believe that pupil use of a mobile phone during the school day can be disruptive and can pose a safeguarding risk and this agreement outlines how pupil phones will be managed within our school. Smartphones and smartwatches are not permitted in school. We are working closely with our feeder school, [Mountbatten](#), to ensure a consistent approach to the devices that are allowed within the school environment.

All pupils bringing a phone into school must have a good reason for doing so and must have returned this agreement to the school office.

- All phones must be handed into the office before registration each morning.
- All phones should be turned off before handing in.
- Phones will be handed to the children by the class teacher at the end of the day. Phones are not to be turned on until they are off the school site.
- The school will help children to learn about staying safe online but recognises that the primary responsibility for online safety at home lies with parents/carers. The school will seek to work with families to help them to encourage children to adopt safe and appropriate use of mobile technology.
- Children not following these rules will not be allowed to bring a phone into school. Any phone brought in without permission will be confiscated and only returned to a parent or carer.
- Children must not take photographs or videos of people on school grounds and are never to take them on the way to or from school. This is because some children are not allowed to have their picture taken.
- The school cannot accept responsibility for damage or loss of a mobile phone brought into school.
- The school has the right to confiscate or search a mobile phone. In the unlikely event of needing to do this, we will endeavor to contact a parent or carer. As part of this agreement, your child should agree to unlock the phone if required by a member of staff.

Parents/carers may want to look at the advice on [www.internetmatters.org](http://www.internetmatters.org) which explains how to add some parental controls to the phone and gives advice on how to keep children safe. Our school online safety coordinator is Miss Woollen. We have put together some helpful guides, which are on our school website. Please contact Miss Woollen or one of the DSL's (Designated Safeguarding Lead) if you have any concerns regarding online safety.
