Residential 2027
4th- 8th October 2027

Stone Farm

A once in a life time experience

Established in 1992 by two former teachers, Stone Farm Study Centre is located on the edge of Dartmoor in the heart of the Devon countryside. Set in the foothills of the National Park, the site boasts 110 acres of organic park-land pasture and is an idyllic retreat for children to visit.

Among 17th century listed buildings we have a traditional working farm where every morning and evening visiting groups can help with supervised farm jobs - complete with pigs, sheep, rabbits, guinea pigs, goats, alpacas, a donkey, a pony, 'Hedwig' the African eagle owl and resident sheepdog Diesel there really is something for everyone! Stone Farm also has its own onsite lake where, if lucky, the children will be able to spot local birdlife including ducks, geese, moorhen and kingfishers and when taking a nature walk in the adjoining woodland we often see deer, foxes and badgers.
