

North Baddesley Junior School Whole School Overview - Design Technology

Design Technology. At our school, we use the Kapow Primary Design and Technology curriculum to provide a progressive, high-quality programme of learning that develops creativity, problem-solving and practical skills. Through the design, make and evaluate process, pupils build knowledge and expertise across key areas including structures, mechanisms, textiles, cooking and nutrition, electrical systems and the digital world. The curriculum promotes innovation, resilience and critical thinking, ensuring pupils are equipped to become confident and resourceful learners.

	Year 3	Year 4	Year 5	Year 6
A U T U M N	<u>Stone Age</u> Constructing a Castle	<u>Our Island Heritage</u> Mindful Moments Timer	<u>Where in the World?</u> Bridges	<u>60 years of change: Victorians and A River's Tale</u> Automata Toys
S P R I N G	<u>Bombs Away! (WWII)</u> Electrical Systems – Posters	<u>Carnival!</u> Bread Baking	<u>Out of this world</u> Doodlers	<u>Survival</u> Come Dine with Me
