Autumn Term Contact 7

Stone Farm Adventures: A Week to Remember!

This week, our Year 6 pupils enjoyed a fantastic residential visit to **Stone Farm**, creating memories that will last a lifetime.

Throughout the week, the children embraced every opportunity with enthusiasm, resilience and a positive attitude. They challenged themselves, worked together as a team and supported one another through a range of exciting experiences.

We were particularly proud of the

independence, responsibility and kindness shown by the children. They represented the school brilliantly and were a credit to themselves and their families.

A Message from the Staff

Year 6, you have been amazing! Thank you for your enthusiasm, determination and willingness to give everything a go. We are incredibly proud of all that you have achieved this week.

The Year 6 Team

Reminders

Parking Reminder

We have received several complaints regarding parking at drop-off and pick-up times. Please park considerately and safely, avoiding blocking residents' driveways or parking on pavements, as this can create hazards for pedestrians and families walking to school.

Values Assembly invitations are being sent via email by the school office, so please check your inbox.

Looking for a school place for your child? Child in year 2?

Come and discover what makes our school such a special place to learn, grow and thrive!

 Wednesday 14th October

 5:00pm - 7:00pm

- ☒ Tour our classrooms
- ☒ Meet our friendly staff
- ☒ Explore our learning environment
- ☒ Find out more about life at our school
- ☒ Ask any questions you may have.

Everyone is welcome – we look forward to meeting you! ☀️

Mrs Wildey's Blog

Happy Friday Everyone!

This week, Mrs. Wildey has been reminded that even those of us who try and promote wellbeing need to practise what we preach! I've been poorly this week (don't feel too sad, I managed to consume some cheese). My body had been trying to tell me to slow down - my brain just chose to ignore this and continued to make lists and worry about everything I wasn't 'doing'.

Sound familiar?

We can get so caught up in *doing mode* – sorting, fixing, helping and keeping all those plates spinning – that we forget we're human beings, not human doings!

Psychologically, our brains and nervous systems need moments of calm to reset. Constantly being switched on can leave us feeling exhausted, overwhelmed and running on empty.

So, this week, I'm taking some of my own medicine and remembering that rest isn't something we have to earn. There is always time to make time. The to-do list will still be there tomorrow.

A little reminder from Mrs Wildey: you don't have to do it all, and you can't pour from an empty cup. Be as kind to yourself as you are to everyone else.

Mrs. Wildey

Quick reminder - don't forget.

NBJS Community and Well-being Partnership

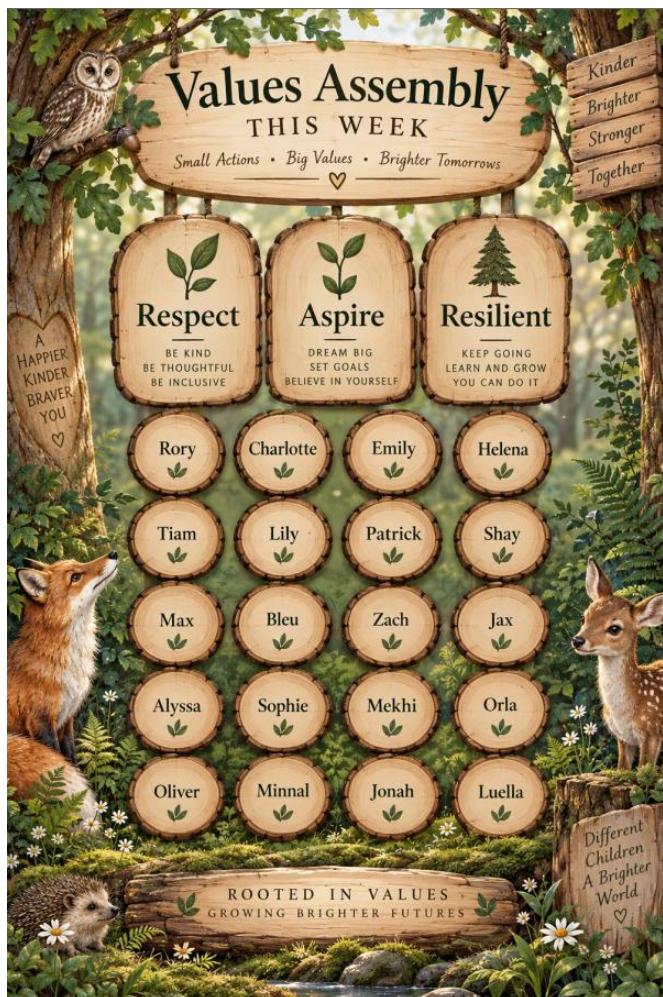

We would like to invite parents and carers to our next *SEN and Mental Health* 'coffee and catch-up' morning on:

Thursday 15th October: 9:00am – 10:30am @ NBJS

These sessions will provide an opportunity to share and discuss general issues around SEN and Mental Health, with the aim of providing our community with the resources they need to navigate an everchanging, and sometimes overwhelming, landscape.

Miss. Verlander and Mrs. Wildey look forward to welcoming you all!

If you have any questions, please contact Mrs. Wildey: h.wildey@northbaddesley-jun.hants.sch.uk

School Age Immunisation Service - Parent Newsletter

Annual Flu Vaccination Programme

All children are eligible to receive the flu vaccine. Parents and carers are sent a link to the online consent form between September and November, ahead of the school vaccination session.

The vaccine is usually given as a nasal spray. For children who cannot have the nasal spray due to medical or religious reasons, a porcine-free injectable vaccine is available. Details about how to request this are included on the electronic consent form.

Why should I get my child vaccinated? Flu is a highly infectious illness that children can catch and spread easily. For many children, flu can be very unpleasant and may lead to complications such as ear infections, bronchitis, or pneumonia. In some cases, it can result in serious illness requiring hospital treatment.

Vaccinating your child not only helps protect them from flu but also reduces the spread of the virus to others who may be more vulnerable to serious illness, including babies, pregnant women, older adults, and those with long-term health conditions.

What if my child misses their school vaccination session? If you provide consent for your child to receive the flu vaccine and they are absent on the day of the school session, you will automatically receive an email inviting you to book an appointment at a local community clinic, ensuring your child still has the opportunity to be vaccinated.

It's not too late to complete the consent form. Even if your child's school vaccination session has already taken place, submitting a form now will allow you to book an appointment at a local community clinic.

For contact details and further information about the School Aged Immunisation Service and the vaccination programmes offered, please visit:
