## **James Child (Co-opted) Chair**

I have lived in the Romsey area for over 10 years now, having moved to North Baddesley in 2015 with my wife Ruth and two children. Prior to living in the area I spent a couple of years in Milton Keynes and before that I grew up in and around West Yorkshire.

My background is in construction, having graduated from the University of Leeds in 2004 with a Master's degree in Civil and Structural Engineering. I work currently as a Cost Estimator for a Tier 1 building contractor locally, and recently have become a Chartered Construction Manager through the Chartered Institute of Building. I have spent nearly 20 years working on a wide range of multimillion projects at tender stage, including the bid for the extension to our own school for a company who didn't ultimately win the bid! I bring a career in cost and project management to the governing body, as well as having an interest in estates management and building maintenance.

Outside of work I am currently the Beaver Scout Leader in North Baddesley as well as the Assistant District Commissioner for Beavers in Romsey. I am a keen rugby union fan, having climbed the county ladder in my youth, and like to swim, run and go for walks when I manage to get some time spare!

Friends of North Baddesley Junior School  
Work closely with infant school PTA! We  
are really keen to have our own  
committee.
