

Dear Parents and Carers,

As we approach the last few days of term, we reflect on all of the hard work that the children have achieved over the last few weeks.

Hello Yellow Day!

We would like to say a massive thank you for allowing your child to get involved in last week's fundraising day. It was lovely to see so much yellow! We can happily announce that we raised £175 for the Young Minds charity who support children and teenagers feel less alone when dealing with mental health worries.

Did you know, £30 allows Young Minds to answer a call from a parent or carer to their Helpline. Thanks again for your kind donations!

Social Media

Please can I ask that parents support the school in ensuring that social media is being used responsibly and safely by both adults and children. We understand that at times they can be helpful to parents for organising events and checking things with other parents, but please be mindful that occasionally messages can be misinterpreted and that information being given is not always accurate.

Reminders

Monday is REF day (REAL EARTH FORCE). The children enjoy REF week so much that this year we have put aside some extra REF days. On Monday, the children are to come to school dressed in old clothes, and appropriate footwear. The children will be outside learning about our

environment and our school grounds. Please ensure that children are dressed for the weather. As the saying goes, "*there is no such thing as bad weather just bad clothing.*"

On Tuesday 6R will be performing their class assembly to parents.

Next week is the school disco. No tickets are issued for this event – there is a sign in sheet upon arrival that has names of all the children that have signed up to come. There is no theme to the school disco; we just want the children to enjoy the experience. If your child chooses to come at the last minute, they must pay their £5.00 on arrival.

Well done to Embleywood for winning this week's house points - next Friday Embleywood can wear non-school uniform.

On Thursday, Year 4 have their Celtic topic experience day (Dress up).

Attendance Updates

The government have recently updated attendance protocols. There are two documents that parents need to be aware of and read. Based on the government changes we have updated our [attendance policy](#). In addition, the government have issued new [guidance for parents on Penalty Notices](#). Please ensure that you read these documents to fully understand the expectation of attendance in school.

Firework Night

Please do not forget to purchase your firework tickets. The funds raised go to projects across both of the schools'.

Have a lovely weekend.

Best wishes,

Miss L. Wootten
Head Teacher
