

Respect. Aspire. Resilient

Dear Parents and Carers,

What a fantastic week for learning walks around school! The atmosphere was buzzing with energy and positivity, and it was such a joy to see our core values – **Respect, Aspire, and Resilient** – in action across every classroom.

From students showing respect for one another and their learning environment, to aspiring to reach new heights in their lessons, and demonstrating resilience when faced with challenges, it was clear that these values are at the heart of everything we do.

It was also lovely to see so many parents attend our **Student Showcase** this week. Seeing families celebrate their children's achievements alongside us made the week even more special and inspiring! Today year 5 ended their week with a spectacular Titanic Day.

### Parent Community Partnership Meeting

Mrs Wildey, Mrs Jonas, and Miss Verlander would like to extend a huge thank you to all the parents who attended the first **Parent Community Partnership Meeting**. They hope that parents found the session helpful and engaging. Feedback on the session would be greatly appreciated, as these meetings are designed to be developed with parents, providing a supportive space to connect, share experiences, and strengthen our school community together.

Student spotlight. Well done, Charlotte! Earning your diving award is a fantastic achievement - celebrating you today!

### Hockey Team Triumph!

What an exciting week for our hockey team! In their very first competition, they played brilliantly and came away with an impressive 2nd place overall. The teamwork, determination, and skills on display were fantastic to see – well done to every single player! The whole school is so proud of your achievement.

A Parentmail has been sent today regarding the change in caterer from January 2026. Please read this carefully. Also, please remember to sign up for school clubs before the deadline (Wednesday 10<sup>th</sup> December).

Miss Wootten

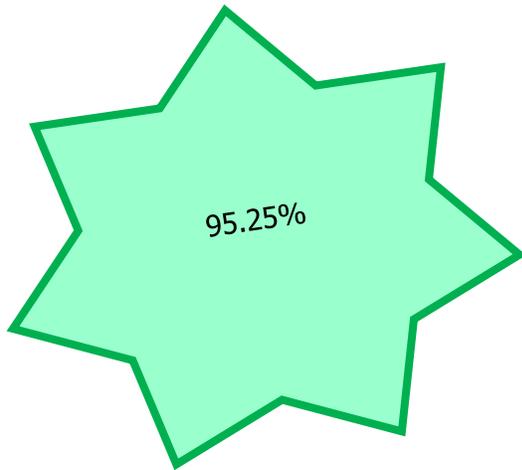

Head Teacher

### Reminders for next week:

- INSET day Friday 28<sup>th</sup> and Monday 1<sup>st</sup> December
- Year 3 football trials - Thursday lunchtime.

Year 4

Multiplication times table check workshop

Monday 26<sup>th</sup> January – 9.00am and 2.30pm

On Monday 26<sup>th</sup> January, Miss Pudner is running a Year 4 MTC (multiplication times table check) parental workshop. The aim of this workshop is to familiarise parents with how multiplication facts are taught in school and also give parents an opportunity to understand what happens during the MTC week. Within the workshop we will look at how TTRS can be used to help prepare your child for the upcoming MTC.

We hope this is an enjoyable and practical workshop which will help you support your child in achieving their best. The workshop will last no longer than 35 minutes.

**New Date Added!**  
Time tables workshop for  
parents to take place on  
26<sup>th</sup> January at 9:00am or  
2:30pm.

# Mrs Wildey's Magic Words

Hello everyone, another school week has become us,

And, an extra-long weekend for the small humans - and some adults too, yahoooo! Perfect timing for a reminder I think, about slowing down. Mrs. Wildey has been doing the opposite, I've been speeding up, in an attempt to keep on top of things before all of the Christmas busy comes. I've become a 'human doing' rather than a 'human being'!

The sneaky thing about busy is, when every hour is accounted for, it's hard to notice what you're actually craving, because everything gets crammed into the same rushed space, and we are in danger of draining our mental and physical batteries.

And our small humans notice too - they model our behaviour in so many ways; they too might get caught up in filling their days, thinking that this is how to be. But let's take a moment to watch them instead, they've so much to teach us - about slowing down, about being present. That's the best gift we can give them, and ourselves, right? Time to just be and give our presence.

Mrs Wildey

...I mean, with Christmas on the horizon, other presents may also include an all expenses paid trip to New York? No?

**Mental Wellbeing and smart phones - please help protect your child's mental wellbeing.**
